PALLETIZING INNOVATIONS

The low cost FL10 is the latest in our series of floor level palletizers. This floor level automatic palletizer is ideal for lower speed production line applications with speeds of 10 or more cases per minute depending on case size and pallet pattern. Like all heavy-duty Columbia Machine palletizers, it has a reliable welded frame that is "built to last" and is EASY TO OPERATE.

Model FL10

FEATURES:

- Small footprint - uses less than 60 square feet of floor space
- Compact size - fits through an 8' x 8' doorway
- Easy-to-operate, pre-programmed with common patterns
- Reliable - Columbia has over 65 years in the industry
- Stacks cases, trays, bundles, and more
- Pallet positioner for manually placed pallets
- 24-Hour parts and service hotline (800-628-4065)
- Online parts ordering @ www.palletizing.com

OPTIONS:

- Pallet dispenser
- Slip sheet dispenser
- Tie sheet dispenser
