

# Columbia®

The FL1000-SW from Columbia combines a rugged, heavy-duty small footprint palletizer with the added functionality of a fully integrated, industry proven stretch wrapper. The FL1000-SW can simultaneously stack and stretch wrap a wide variety of package types, including cases, trays, totes, film only and display packs from a variety of industries including canned and frozen foods, beverage, pharmaceutical and many more. The FL1000-SW palletizes 10 cases per minute or more, depending on case size and pallet pattern. Like all heavy-duty Columbia Machine palletizers the FL1000-SW has a reliable welded frame that is "built to last" and is EASY TO OPERATE.

FL1000-SW
